Children are deemed to have achieved GLD if they have achieved the ELG (Early Learning Goals) in the EYFS curriculum areas of Personal, Social and Emotional Development, Physical Development, Communication and Language Development, Literacy and Mathematics.

Dear Parents/Carers,

I am delighted to announce that we are ending the school year with some amazing results.

Our results are ones to be celebrated and we are immensely proud of our children who have risen to the challenge of the new higher expectations. The teachers in Y6 and Y2 have had a huge amount of additional work to complete as these were the first year of the new assessments.

The Year 6 children have performed extremely well and their hard work, perseverance, resilience and effort have paid off. The teachers have done an amazing job with children that have been well supported, nurtured and challenged.
