

## Marlcliffe Primary School

### Pupil Premium

2017 - 2018

#### Purpose

The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers, by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

Schools receive £1,320 for each child who is entitled to receive Free School Meals, or who has been entitled in the last 6 years. Looked After Children and children adopted from care are given £1,900.

School can determine how the Pupil Premium is spent, as they are best placed to assess what additional provision is needed for individual pupils with their responsibility. School must publish how they spend this money.
