

# KEY STAGE 1 WEEKLY LEARNING MAT week beginning 20.4.20

Don't forget to download the weekly spellings off your class page.

This week's theme is Magical Creatures!

Draw a griffin and put it in your window at home for a local eye spy!

## MATHS ZONE

## ENGLISH ZONE

## TOPIC ZONE

Revise subtracting a 1 digit number from a 2 digit number. We can count on from the smaller number to the bigger number for smaller differences, and count back when the difference is much larger. For example, with 14 - 9 it is easiest to put the smallest number (9) in your head and count on until 14, putting a finger up to represent each number counted on. For subtractions with a large gap, for example 29 - 2, it is easier to put the larger number in your head (29) and count back two fingers. Try smaller differences for starters, and then move onto larger differences.

Y2s: work with numbers over 50 (and over 100 if you are feeling confident!).

Play <https://www.topmarks.co.uk/maths-games/hit-the-button>

Y1s: choose 'Number Bonds' then 'subtraction within 20'.

Y2s: choose 'Number Bonds' then 'subtraction within 100'

Listen to this story about Mote the last unicorn.

Can you draw and label Mote?

Tweet your work to @MarlcliffeKS1

Can you make a comic strip of an adventure that Mote might have?

Write his adventure in to your own book.

Draw your own magical creature. This could be a dragon, a mermaid, or something else that you have made up.

If you want to get experimenting with music, then try 'Play It!'. Explore the different elements that make up a song, play or clap along with the music or even add your own instrumental track, then listen back to what you have composed.

## Maths Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given. Choose 'play', then 'Number Bonds' then:

Y1s: play bonds to 10 -

Y2s: play bonds to 20 -

Play Snakes and Ladders!

When you slide down a snake, count how many steps back you have taken. Can you make a number sentence?

15 - 4 =

Y2s: Can you rearrange the numbers into 2 add and 2 subtract numbers sentences?

## Spelling Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given. Choose 'Play', then choose any of the split vowel (a-e, e-e, i-e, o-e, u-e challenges), but this week play 'Bee Keeper'. Top tip: try vowels first!

Make sure sound is switched on.

## Capital Letters (For Pronouns)

Copy the words below and add capital letters where needed:

christmas  
unicorn  
harry potter  
fairy  
dragon  
mrs wharton  
marlcliffe primary  
school  
easter

In Scotland there is a lake called Loch Ness. It is believed that there is a monster that lives in the lake. Use the internet to research where this is and facts about the monster. Write down your facts including a picture.

Try this cool eggsperiment using an uncooked egg! <http://coolscienceexperimentshq.com/bouncy-egg/>

Try putting an egg in different liquids to see what happens!
