

KEY STAGE 1 WEEKLY LEARNING MAT week beginning 4.5.20

Don't forget to download the weekly spellings off your class page.

This week's theme is Julia Donaldson!

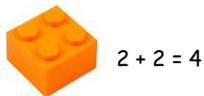

Draw Superworm and put it in your window at home for a local eye spy!

ENGLISH ZONE

TOPIC ZONE

Search around the house looking for examples of arrays. Once you have found an array, write the repeated addition number sentence it shows.

$$5 + 5 + 5 + 5 + 5 = 25$$

Y2s: write them as a repeated + and also a x. For example:

$$3 + 3 + 3 + 3 = 12$$

$$4 \times 3 = 12$$

After finding the different arrays, ask your grown up to hide them around your home or garden. They can then tell you to find a particular array. For example:

"Can you find the array that shows 4 lots of 5?"
"Can you find the array that shows 3 lots of 2?"

<https://www.bbc.co.uk/iplayer/episode/b0bwdw8y/zog>

Watch the story of Zog and The Princess.

Who is your favourite character? Why?

Can you write a description of your favourite character?

Use lots of adjectives. Don't forget capital letters and full stops.

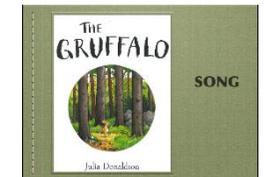

Ask your grown up to tweet us a picture of your work:
@MarlcliffeKS1

Draw a character from your favourite Julia Donaldson book.

You've read the book - now learn 'The Gruffalo Song':

Maths Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given. Choose 'Play', then 'Times Tables' then:

Y1s: play 2s, 5s and 10s (x)
Y2s: play 2s, 5s and 10s (x), then move onto ÷ when you are feeling confident.

Play <https://www.ictgames.com/mobilePage/duckShoot/index.html>

Y1s: count in 2s, 5s, and 10s
Y2s: count in 2s, 3s, 5s, and 10s

Spelling Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given. Choose 'Play', then choose any of the au or aw phonemes.

Try to collect lots of honeypots so you can change your avatar on the left! Remember, old lists can still be found in 'more lists'/select a list/select green arrow to play. Play 'Bee Keeper' too.

Visit BBC Bitesize, watch the videos about prefixes and suffixes and then do the quizzes underneath.

<https://www.bbc.co.uk/bitesize/topics/z8mxrwx>

Imagine that one of Julia Donaldson's characters is going on holiday. Where do you think they would go? What activities could they do there? Plan 4 activities for them to do that they would enjoy. For example, would Zog enjoy a first aid course? Or fire eating?

Mixing Potions!

Do you like mixing potions like the witch in Room on a Broom?

Have a go at making these potions using different ingredients from your kitchen cupboards: <https://littlebinsforlittlehands.com/mixing-potions-science-activity-kitchen-chemistry/>

Try vinegar and bicarbonate of soda - but watch out, it can get very messy!
