

KEY STAGE 1 WEEKLY LEARNING MAT

week beginning 6.7.20

This week's theme is Gardening and Plants!

MATHS ZONE

ENGLISH ZONE

TOPIC ZONE

Find 2D shapes in objects around the house e.g. windows, table tops, picture frame, mirrors, mats etc. Name the shapes.

Y2s: say how many sides and vertices on each shape. Are the sides straight or curved?

Watch <https://www.bbc.co.uk/bitesize/topics/zjv39j6/articles/ztpwdmn>

Then take the quiz at the bottom of the page.

Watch the traditional story 'Jack and the Beanstalk'.

<https://youtu.be/W5rxfLRqXRE>

Retell the story to someone in your house.

How did the beanstalk grow?

What did it look like?

Imagine a beanstalk has grown outside your window. If you climbed it where would it take you to? Draw a comic strip of what you find at the top of the beanstalk or write an adventure story of what you find.

Tweet your work to @MarcliffeKS1

Using materials from your garden or from a walk, create a sensory picture. You could use twigs, leaves, flower petals, stones etc.

Can you label the picture, saying what you have used and what your picture is?

You can stage your very own musical at home - based on the story of 'Jack and the Beanstalk'. The BBC's version includes seven songs and related music activities linking to the traditional story. They target a range of learning objectives drawn from both KS1 Music and Literacy.

<https://www.bbc.co.uk/teach/school-radio/music-jack-and-the-beanstalk-index/z7jq8xs>

Draw a flower and put it in your window at home for a local eye spy!

Maths Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given.

Choose 'Play', then 'Add and Subtract'.

Y1s: Click on the - sign for 'Within 10'. Start on easy level.

Y2s: Click on the - sign for 'Within 20'. Start on easy level.

Draw a shape monster using different 2D shapes.

Can you label the monster to say which shapes you have used?

Y2s: Label the sides and vertices as well.

Spelling Shed

<https://play.edshed.com/>

Log on with the username and password you have been given.

There is a selection of new lists to practise.

Y1s: o, o_e, oa

Y2s: -ing for words ending in e

Compound Words

A compound word is two words that are put together to make a new word. How many compound words can you think of? Write down as many as you can and try to think of some connected to our topic this week, as 'sunflower'.

Watch the video showing the lifecycle of a plant: <https://www.bbc.co.uk/bitesize/clips/z3wsbk7>

What do plants need to grow? How do the seeds get spread?

Make a glossary of the key words.

Have you ever watched a seed grow into a flower? What does it need to be able to grow? Watch this video and have a go at planting your own seeds in your garden or on a windowsill.

<https://www.bbc.co.uk/bitesize/clips/zc62tfr>

Keep a record of what you see by drawing your seed as it grows.
