WORLD BOOK DAY FUN!

We had so much fun celebrating World Book day on Thursday 7th March. We were incredibly impressed by the children's "Muddleverse" costumes. The children had a great time taking part in a wide range of events to encourage reading. Sharing books with children from another class was a huge hit as was the "Drop Everything and Read" challenge which saw the children have to stop what they are doing and start reading when they heard the bells sound. The children also enjoyed taking part in live sessions with authors Michael Rosen and Helen Stephens.

HOT CHOCOLATE WITH THE HEAD

Hot
Chocolate

I have had the pleasure of two more Hot Chocolate with the Head events since the last edition of the Marlcliffe Mail. These were attended by children chosen from KSI and Reception. Well done to the children who were chosen to attend.

Y4 AT ROBINWOOD

Our Year 4 children have had an amazing time on their 3 day residential to Robinwood in Todmorden. They have taken part in so many exciting activities including the giant swing, pirahna pool and the nightline. I am sure they will have made memories that will last a lifetime. Thank you to all the staff who have supported the visit.

THE SHEFFIELD YOUNG ARTIST COMPETITION

Thea, Freya, Hannah, Seb and Isabelle from Mr Cooper's Drawing Club entered The Sheffield Young Artist competition in March. They used their drawing skills to create landscapes, animal and cartoon portraits and a still life. Their work will be on display in an exhibition at the Central United Reformed Church, Norfolk Street on Friday 26th and Saturday 27th April. A great achievement!

KS1 ARCHITECT VISIT

Architect Adam Park (and Daniel's dad!) came in to school to talk about Architecture to the Y1s and Y2s, as part of their topic on 'Grand Designs'. He explained what architects do, what type of buildings they design and what they use to help them draw plans and build models.

The children asked excellent questions such as 'which material do you prefer to use?' and 'what is your favourite type of building to design?'
