

SPECIAL VISITORS TO MARLCLIFFE

To celebrate our ongoing success in the Walk to School Challenge, we had some special visitors to Marlcliffe this week. On Tuesday, we were joined by Ed Clancy OBE and Councillor Ben Miskell along with Strider, the Walk to School mascot. Their visit caused a great deal of excitement around school. Our visitors went into our Year 1 classrooms and saw how the children record how they travel to school each day on the Travel Tracker. Ed and Ben then led an assembly for some of our older children which included Ed showing the children his three Olympic Gold medals and our guests answering questions from our children. What a great experience!

SWIMMING GALA

Tuesday was the Sheffield Schools swimming gala which was held at Ponds Forge. Our team were absolutely fantastic. They truly gave it everything and we are all incredibly proud of how they performed. We finished 6th in our division. Well done to Jake, Ben, Henry, Ronnie, Fleur, Harriet, Ifee and Ella!

KS1 VISIT TO KELHAM ISLAND

To support their topic this half-term of "Made In Sheffield" our KS1 children recently visited Kelham Island Museum. The children visited the exhibits in the museum and took part in workshops led by the museum staff. They also got the opportunity to see the River Don engine, the most powerful working steam engine in Europe, in action. The children thoroughly enjoyed the visit and were a credit to the school. Thank you to all of the family members who supported the visits.

HOT CHOCOLATE WITH THE HEAD

My most recent Hot Chocolate with the Heads have been with KSI and Reception. From KSI, I had the pleasure of being joined by Jeannie, Georgia, Alfie, Luna and Emerson. From our Reception classes, I enjoyed Hot Chocolate with Charlie, Zach, Kheval and Vivian. They were all absolute superstars and I was so happy to spend time with them all and have the opportunity to get to know them a little better.

Come and join us for oodles of fun during this Half Term ... learning and playing some of the coolest, smartest, fast witted and amusing board games from across the world. Games that are easy to pick up but hard to put down! The cornerstone of our "Learn to Play, Play to Learn" motto.

With lots and lots of BRAND NEW GAMES hot off the press, robotics, coding and problem solving our mind-bending puzzles are guaranteed to make you smile! Make your move and come join us ... take on your friends, make some new friendships and have a wonderful time!

Y6 SUPERSTARS

Last week our Year 6 children took part in the National Ks2 SAT tests in English Grammar, Punctuation and Spelling, Reading and Maths. We were incredibly proud of their positive attitudes and the resilience they showed during the tests. Well done Year 6. But it is important to remember that tests don't measure everything ... We are now looking forward to all the end of primary school activities with our Year 6 superstars.

Y3/4 EXHIBITION

We held the Year 3 and Year 4 exhibition this week. I was so impressed by the quality of work on display. Thank you to those of you who were able to come into school to see the children's work and for the lovely feedback we have received from many of you as parents about the event.

NFL SUCCESS

Our NFL Team have just been crowned the Regional Winners. They will now go on to compete in the National Final which is due to be held in Loughborough. This is a wonderful achievement for the school. Well done to the team and thank you to Mr Kenworthy for coaching them.
