

SUMMER FAIR SUCCESS

Thank you so much to all of you who joined us at our Summer Fair on Thursday 13th June. The weather was certainly not kind to us but your support was very much appreciated. We raised over £1600 despite the pouring rain. The funds raised will support a number of projects in school, including the renovation of our school library that we are planning at the moment.

Y3/4 VISIT TO FILEY

On Monday 10th and Tuesday 11th of June, the Y3 and 4 classes visited Filey for the day. Despite some worrying weather forecasts, they were lucky to have some lovely sunshine while they explored Filey and carried out our Geography fieldwork about the human and physical geographical features found there. They particularly enjoyed playing and having a picnic on the beach!

Y5/6 VISIT TO THE JUSTICE MUSEUM

Our Year 5 and Year 6 children visited the National Justice Museum in Nottingham to support their History unit on Crime and Punishment. The children had a great time and learned so much. They took part in a Victorian mock trial, undertook a crime scene investigation of a Victorian slum and visited a Victorian prison where they became the prisoners.

ATTENDANCE
COUNTS.**

STAFFING NEWS

As we approach the end of the school year, there are a number of staffing changes to share with you. Mrs Barber will soon be returning to school following her maternity leave. We have also recently appointed Mrs Hannah Fletcher who will be leading one of our Reception classes next year. This is because due to an increase in pupil numbers, the school will return to having 3 Reception classes from September. I am sure you will join me in welcoming Mrs Barber back to school and welcoming Mrs Fletcher to Team Marlcliffe when she starts with us in September.

Miss Featherstone will be leaving to take up a teaching post at another school. Miss Davison will also be leaving to be the SENCO at another local school. Mrs Leanne Marsh who has been a TA in Year One this year will also be leaving Marlcliffe at the end of the school year. We would like to thank them for all of their hard work and support of the school and wish them all lots of success for the future.

Y6 AT HILLSBOROUGH COLLEGE

30 Year 6 children were invited to Hillsborough college's primary festival. They had an amazing day looking at the college courses they could do in the future. There were so many great opportunities to try out from animal care, to sports leadership. The children even got to compose their own music in the studio where Ed Sheeran had visited the week before.

HOT CHOCOLATE WITH THE HEAD

I have had the pleasure of Hot Chocolate with the Head with both Y5/6 and Y3/4 children since the last edition of the Mariccliffe Mail. Firstly, I was joined by Annika, Riley, Ophelia, Jensen and Bea from Y5/6. More recently, from Y3/4, I met with Mimi, Tom, Artemis, Ida and Ember. Thank you to them all for joining me. It was really lovely talking to them all.

HERE COMES THE SUN

As the warmer weather seems to have finally arrived, we would just like to remind you of some warm weather essentials. Please make sure your child brings a water bottle to school and a sun hat. Please apply sunscreen that is needed before school. Children are able to bring sunscreen to school to reapply themselves before lunchtime if required. Children must wear sensible shoes for school. Flip-flop styles shoes are not appropriate for school.

PARKING REMINDER

Parking around school has generally improved following the repainting of the line markings, the new parking signs we have outside and our participation in the Walk to School Challenge. Many of you have commented on the positive impact of the new measures. However, please can we remind all of our families to park safely around school. For the safety of all of our children, please park safely and legally.
