

Y5/6 EGYPTIAN WORKSHOP

The children in Y5 and Y6 had an incredible time during their Egyptian workshops on Wednesday 29th and Thursday 30th January. They were fully immersed in the fascinating world of Ancient Egypt, exploring mummification, Egyptian artefacts and the everyday lives of the Egyptians. The hands-on activities sparked curiosity and the entire day was a fun and engaging experience that brought history to life! We were also very impressed by the costumes that many of the children wore.

SEND UPDATE

We have had lots of enquiries about the waiting time for Neurodiversity Assessments at Ryegate. This is a link to a statement which they have released giving details of the current wait times, common questions and answers and possible Right to Choose options. <https://www.sheffieldchildrens.nhs.uk/services/child-development-and-neurodisability/#waiting-times>

HOT CHOCOLATE WITH THE HEAD

My most recent Hot Chocolate with the Head events have been with children from KSI and Reception. From KSI, I was joined by Alfie, Arlo, Grace and Ellis. Whilst from Reception, it was Martha, Felix, Harrison, Leoney, Jamie and Paisley-Mae who joined me. It was lovely getting the chance to talk with them all.

WOW BADGE DESIGN COMPETITION

As a school that takes part in the WOW Walk to School Challenge we have been invited to enter a competition to design the badges for next year. The theme is Walk with Joy. All children have been sent home with a design sheet. Entries must be returned to school by Tuesday 25th February. We will then choose our winning 3 designs as a school to enter into the National Competition. Time to get creative!

SHARE-A-STORY SESSIONS

As a school, we are always looking at ways to promote a love of reading with the children. One way that we are doing this is having regular "Share-a-story" sessions. These involve different classes coming together to share stories. Our latest event was held on Friday 10th February. It is always lovely to see our younger children enjoying being read to by our older children and them having so much fun talking about books together.

SPORTING SUCCESS

Team Marcliffe has taken part in a number of sporting events over the past few weeks. We took place in a basketball competition at Forge Valley School. We were immensely proud of every one of the children who represented our school. We finished 4th overall showing great teamwork, attitude, and resilience throughout.

We also participated in the Utilita SWFC Cup - It was a brilliant day, and the children represented Marcliffe really well. We came 4th in our group which I can say with 100% certainty does not reflect how well they played as a team. We are very proud of them all. Some of us were also really pleased to get the change to meet SWFC player, Djeidi Gassama.

We also took part in a Gymnastics competition with other local schools. Marcliffe finished in the top 3 in every category. The whole squad represented the school amazingly and had a fantastic time at the event.

Thank you to Mr Kenworthy for organising all of these events for the school.

REGULATION STRATEGY

Regulation Strategy

To support our children's mental health and well-being, we have been introducing the children to an approach called The Zones of Regulation. As part of this we are teaching all of the children a variety of regulation strategies. Here is one for you to try at home.

Wall Push-Ups

- Place palms of hands on wall, with elbows straight.
- Slowly bend elbows to bring chest towards wall.
- Encourage child to push with medium force into the wall.
